Books Books Books

Our library has tremendously expanded due to a private donor. Take the time to go over to the Clubhouse and see all of the new books! They are free to take, but please bring them back when you are done reading them so someone else can enjoy them. Enjoy!

Take some time to enjoy our community's beautiful Christmas decorations! Take a walk or a ride around the neighborhood and enjoy your neighbor's efforts. They did a mighty fine job!

Merry Christmas and Happy New Year!

Letter from the President and Corporate Board

HAPPY NEW YEAR

On the Clubhouse sale. I have signed the contract to purchase the clubhouse. It is now up to the YOU, the residents to vote "yes or no". You will be receiving the proxy's in the mail. Hopefully that will be soon. Remember it will not raise your maintenance fees. There is only one vote per household and it must be the owner of the home.

Please be on the lookout for strange people riding around our neighborhood. We have had some instances where things have been stolen in our community.

I have noticed that some people haven't raised their **storm shutters and awnings yet**. Please do so -- it is the law -- The City of Margate can cite you for this code violation.

Just a reminder that if you have any work done as a roof replacement, door or windows you need to get an approval from the Homeowners Association before work commence.

We have a new web page.

The web address is: **www.paradisegardenstwo.com**

our email address is: **paradiseg2@bellsouth.net**

Thank you,

Sharon Hevia

Little Known Facts and Me

Happy January! I have been given the honor to replace Liz with the PGII Newsletter. I'm originally from Nebraska and moved to Florida (love it here) in 1999 and have lived in Paradise Gardens II since 2002. Please feel free to send me any information you would like to see in the newsletter - email is the best way as I still work full time. My friends always laugh at how much "useless information" I know, so I thought I'd share some with you.

Did you know.....

A snail can sleep for three years.

In 10 minutes, a hurricane releases more energy than all of the world's nuclear weapons combined.

You burn more calories sleeping than you do watching television

Most lipstick contains fish scales.

Editor Bennett Cerf challenged Dr. Seuss to write a book using no more than 50 different words. The result? Green Eggs and Ham.

The Q in Q-tips stands for quality. They were originally called Baby Gays.

Michael Jackson's 1988 autobiography Moonwalk was edited by Jacqueline Kennedy Onassis.

Only female mosquitoes will bite you.

That thing you use to dot your lowercase "i" is called a tittle.

According to the National Retail Federation, Americans spent \$310 million on pet costumes last Halloween.

Reno is farther west than Los Angeles.

I hope that you enjoyed these few little known facts.

Respectfully,

Jackie Sambataro jackiesambataro@comcast.net

Christmas Party 2017

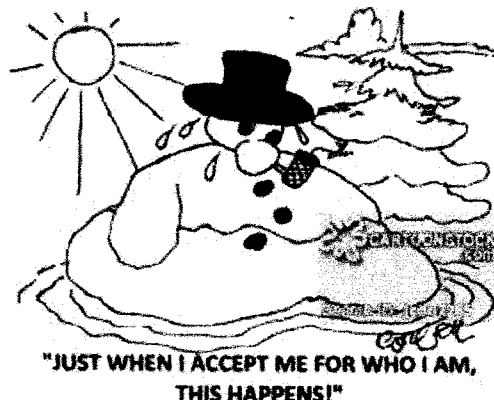

I would like to take this time to thank everyone who came to our Christmas Party Saturday night. Everyone had a great time and the food and music was great. If you weren't there you missed out on a lot of fun. I hope next year we can have a bigger turn out. We try to have events in our community for all of you. I wish everyone a very Merry Christmas and a Happy Year.

Your President
Sharon Hevia

Please remember that your HOA Board are UNPAID VOLUNTEERS - They cannot help you with problems that you might have with AT&T, FPL, The City of Margate. If you have problems or concerns regarding the digging in your yard, or a wild animal, please save yourself some time and call the entity that can solve the problem for you in a timely manner. You can also go online and file a complaint.

If you have a problem with an unknown animal in your yard, call animal control. If you are having a conflict with your neighbor, please try to solve it between yourselves. If you feel it is a dangerous situation, call the police.

The board is not your "sounding board" for problems that they cannot help you solve. Please be considerate. They have families and private lives too.

IMPORTANT

You have made a personal decision to live in a community that is a registered association. Associations are governed by a set of rules. The rules are for all residents ---- NO EXCEPTIONS.

PARKING

There are no defined parking spaces on community streets. Spaces cannot be saved. Our streets are maintained by the City of Margate and you can park anywhere as long as you:

- Park on the correct side of the street, which is THE SIDE OPPOSITE of the NO PARKING signs and in the direction of the traffic flow.
- DO NOT BLOCK ANYONE'S DRIVEWAY.

POOL RULES

- The pool is open from dawn to dusk. NO SWIMMING AFTER DARK.
- Please be considerate as to the number of guests you entertain in the pool.
- All homeowners and their guests must have tags when using the pool. Tags may be purchased at every homeowner's meeting. Anyone not having tags will be asked to leave the pool.
- **HOMEOWNERS MUST ACCOMPANY GUESTS IN THE POOL AREA,** Particularly residents with children.
- Food or beverages, including alcohol are **NOT** allowed in the pool area.

ATTENTION DOG OWNERS!

- All dogs must be leashed and restrained at all times.
- Do not walk your dog on anyone else's property.
- You must clean up after your dog!

REMEMINDERS

DO NOT FEED THE MUSCOVY DUCKS!

Feeding the ducks will solidify your friendship with the blunt-billed birds for life. So will leaving household trash outside in plastic bags. Place trash in garbage cans. It is against the law to feed the ducks in Margate and can result in fines. Muscovies get their nutrients from a natural diet of bugs and pond algae.

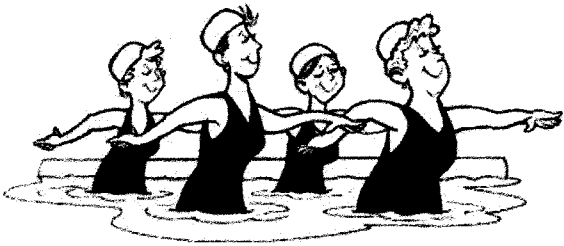

PERSONAL YARD AND GARAGE SALES

Our by-laws prohibit all yard and/or garage sales.

BE MINDFUL OF YOUR NEIGHBORS

We live in a neighborhood with the homes in close proximity to each other. It is extremely important - **and the homeowner's responsibility** - to keep trees and shrubs trimmed. Not only does it make our community look more attractive, it can eliminate hard feelings between neighbors if your tree should damage your neighbor's property. Keeping your bushes trimmed eliminates places for iguanas to hide. **Iguanas carry salmonella and botulism.** If you are unable to maintain your trees and shrubs yourself, several of the mowers will be happy to do it for you for a reasonable fee.
