LETTER FROM THE PRESIDENT

We had a very interesting homeowners meeting. Much was discussed and you can review the minutes on the website. It would be better if you came to the meeting and listen first hand and voice your ideas and or complaints.

OK PEOPLE!! Does anyone out there want to participate in anything? I know a lot of us are still working, but we all need a break from our daily routines. As I said before if you want to do something in the Clubhouse bring your ideas to the next meeting or email me direct at dsbuildinginc@att.net be sure to put in subject line IDEA. Please no complaining! We will put our heads together and get it going. Don't forget" your idea-you volunteer".

I think just about everyone has received the new key to the clubhouse and pool. As a reminder you can pick up your key at the homeowners meeting scheduled for MARCH 25TH AT 7:30 PM. Remember to bring a CHECK not cash, driver's license and a utility bill.

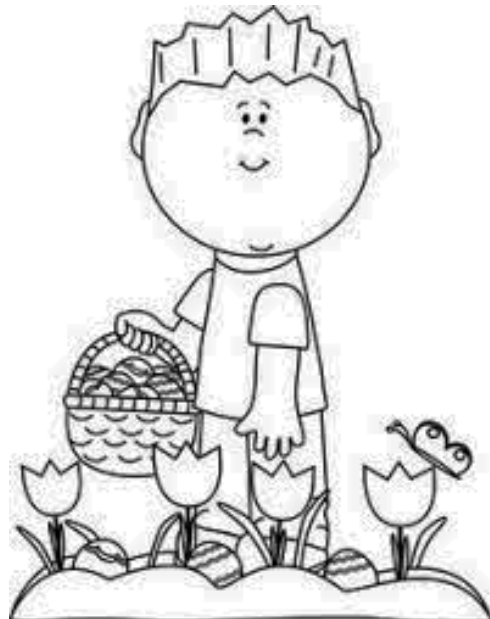

I don't like repeating this but a few of our homeowners have still not raised their awnings or removed the shutters. Hurricane season is quite over. It is a city ordinance and is required.

We are coming closer to set up a parking permit program. As soon as we have it completed we will issue them to each home. A letter or mention in the Par II for times that they will be assigned.

Thanks

Paul

Roll Call: Paul D'Andrea, Manuel Hevia, Susan Butler, Joanne Zangle, Al Soler and Armando Perez. Carol was absent. We have a quorum. Meeting called to order at 7:33pm By Paul D'Andrea.

Reports of the Officers:

1. Susan Butler asked for a motion to accept the minutes of the January meeting as published in the Par II. A motion was made to accept, seconded and accepted.
2. Treasurer Manuel Hevia reported on the homes in arrears of the quarterly assessments. The figures are still basically the same except the level of Categories has changed slightly. There is still only around 50,000 total in delinquency. We went from 17 to 16 homes but new fees added to others. We have one home that was foreclosed on by the bank, and we have sent the paperwork to add ourselves as a debtor to that process. There are 4 that are about to be foreclosed on by us, 5 that are in the first step of placing a lien on the property, 3 are on a payment plan, which went down by 1 from last month due to someone paying in full before the lien was placed. And there are only 4 homes that are delinquent by 3 quarters who are receiving notices from the attorney.
3. Screening Committee – Sharon reports that there were no new home sales this month and there were no first time owners present at this meeting.
4. Social – Bob McClellan –Lightening bingo is still back, we are playing 2 Thursdays per month starting at 7:15pm. There is a \$1.00 buy-in which goes to the super jackpot each ½ hour of play, if any ½ hour is not won, it will roll over to add to next game. In 2 weeks. And don't forget, everyone goes home a winner, if you do not win any games; the final pot is split amongst all the non-winners. **Bingo is open to non-residents as well as residents, so invite everyone.**

OLD BUSINESS:

- Stickers for parking – We will be announcing when and where the parking stickers will be distributed. Each home is entitled to two stickers to start. They must have two vehicles to get two stickers. License and registration will need to be brought in to get the stickers. Stickers will have a unique ID for each home. Any additional stickers that are needed will have to be requested by arranging a meeting with the screening committee to identify the additional residents and or cars. This is our first line in identifying the cars that do not belong here and /or the residents that have never been screened.
- Guest Stickers will be available for anyone that needs if there is going to be a guest for a few days. These Guest permits will expire and cannot be used on a long term basis. Call the management to request one. Guests who stay for one night will most likely not be fined if there is no sticker. We are looking for the cars that are here every night without a sticker.
- Stickers will be distributed at no cost to the owners or residents.
- Parking violations without a sticker will result in a homeowner being fined.

NEW BUSINESS: Questions

1. Home inspections for code violations are happening and notices are going out. A homeowner will have approximately 45 days to remedy the violation before being fined, So if you see something and have reported it, and it appears nothing has changed, it does not mean that nothing has happened, the resident will have time to remedy.
2. A suggestion was made to get signs for the entrances to PGII the state "Permit Parking Only"
3. Our existing no parking signs are old and fading. City has promised to come out and count signs so they can be replaced.
4. Some people are in the pool area without a new key, telling others that they used the old key to get into the pool. The old keys do not work on the pool gate so they have gotten in somehow, or someone let them in.
5. Painting of homes will begin in another year, we will stick with white because the contract we have for the dollars we have budgeted for cannot be increased or we will have a shortfall for the payment. Also, with so many layers of paint, if anything peels, it will be still white underneath, not another color.
6. It was asked again if we would be having a garage sale, only 5 people are interested so it does not look promising. To be brought up again next month.

With no more questions or concerns, a motion was made and second to adjourn. Meeting adjourned at 8:30 PM
