Letter from your President

February 2022

We are starting a new year and I hope this year is a better one.

I was told that we haven't posted several people that have passed or sick in our newsletter. I apologize for this, but please if you know someone who has passed or is sick please let someone know on the board so we can acknowledge this matter. All of the board members are listed with their email addresses in the newsletter.

At this time the board will remain the same. Armando Perez had to step down from director due to him being very ill. We wish him well. Sonia Johnson has taken his place as Director. She was sworn in last month at the meeting. Speaking about the meeting, it was very sad that we had very few people to show up.

Financials, will be mailed out this month.

Christmas:

Please remove all Christmas decorations. They are to be taken down 15 days after the holidays are over.

Just a reminder

We have given out the Decals for the last time for free. If you didn't get one free, you will have to go to the Management Company office and pay \$25.00 for one. If you are a new resident, you will not have to pay. You must have a decal on your cars by the end of JANUARY 2022. After that you will get a warning, then after that, you will be booted. We are doing this for your safety and to try to control the number of cars on the street. If you have a driveway, then you need to park in your driveway and not on the street.

VISITOR'S PASSES: You must contract the Management Co. to get your visitor's passes. Only one per household.

Rules and Regulations and the Protective Convents

We are working with our attorney on updating them. Once the Protective Convents are done they will be sent out for approval.

Meetings: Board Meeting Feb.1 at 7:00 pm – HOA Meeting Feb. 16 at 7:30 pm

IMPORTANT REMINDERS

You have made a personal decision to live in a community that is a registered association. Associations are governed by a set of rules. The rules are for all residents ---- NO EXCEPTIONS.

PARKING

There are no defined parking spaces on community streets. Spaces cannot be saved. Our streets are maintained by the City of Margate and you can park anywhere as long as you:

- Park on the correct side of the street, which is THE SIDE OPPOSITE of the NO PARKING signs and in the direction of the traffic flow.
- When parking in the street, please DO NOT park in the middle of the front yard. This takes up two possible parking spaces. Any questions or complaints must go through the Management Company listed on the front page.
- DO NOT BLOCK ANYONE'S DRIVEWAY.

POOL RULES AND HOURS

- The pool is open from **dawn to dusk**
- Please use your key when using the pool. Keys may be obtained with a deposit by contacting paradiseg2@bellsouth.net or at meetings when they resume.
- **Please be considerate to the number of guests you entertain at the pool. HOMEOWNERS MUST ACCOMPANY GUESTS IN THE POOL AREA,** Particularly residents with visiting children.
- Food and beverages will be allowed in designated areas (at tables). All liquids must be in plastic containers and you must clean up the area when finished.
- There will still be NO ALCOHOL allowed.

ATTENTION DOG OWNERS!

- All dogs must be leashed and restrained at all times.
- Do not walk your dog on anyone else's property.
- You must clean up after your dog!

PERSONAL YARD AND GARAGE SALES

Our by-laws prohibit all yard and/or garage sales.

BE MINDFUL OF YOUR NEIGHBORS

We live in a neighborhood with the homes in close proximity to each other. It is extremely important - **and the homeowner's responsibility** - to keep trees and shrubs trimmed. Not only does it make our community look more attractive, it can eliminate hard feelings between neighbors if your tree should damage your neighbor's property. Keeping your bushes trimmed eliminates places for iguanas to hide. **Iguanas carry salmonella and botulism.** If you are unable to maintain your trees and shrubs yourself, you may call the lawn service company and they can help with it FOR A FEE. (free estimates)

Remember, what you plant, you must be able to maintain.

Little Known Facts

The length of February was finalized when Julius Caesar remade the Roman calendar and assigned the month 28 days and 29 days. In 713 B.C., February was officially added to the Roman calendar.

February is one of the most misspelled words in the English language. Even the White House has misprinted the word “February” before in a press release!

Valentinophobia is the fear of Valentine's Day.

If Florida were a country, it would rank 17th in Gross Domestic Product

Disney World employs more people at a single location than any other company in the US

Florida's top agricultural export is meat, not citrus.

Florida's top export is civilian aircraft

Rats multiply so quickly that in 18 months, two rats could have over million descendants.

Wearing headphones for just an hour will increase the bacteria in your ear by 700 times

Barbie debuted. Barbie's appearance was modeled on a doll named Lilli, which was based on a racy German comic strip character.

Rachel Jackson, 1767-1828

Andrew Jackson's wife was a bigamist, having married Jackson before she was divorced from her first husband. She died after Jackson was elected president but before his inauguration. Her niece Emily Donelson served as White House hostess during most of the Jackson administration.

Hannah Van Buren, 1783-1819

Martin Van Buren's wife—his second cousin—died 18 years before her husband was elected president. Their daughter-in-law Angelica Van Buren served as White House hostess during the last two years of the Van Buren administration.

Anna Harrison, 1775-1864

William Henry Harrison's wife is the only spouse of a president and grandmother of another. She never lived in the White House because her husband died a month after his inauguration. Their daughter-in-law Jane Harrison served as White House hostess for the shortest time—30 days.
