## LETTER FROM THE PRESIDENT

DECEMBER 2022

I hope all is well with everyone.

We are planning a New Year's Eve Party, so think about it, if you would like to attend. More Information will be sent out to each homeowner with further information. We are planning for a live band and recorded music. As of now we are not having a sit down dinner, just appetizers, finger food & set ups for byob. Also, we are thinking from 9:00 PM to 1:00AM. We will be charging a small amount to cover expenses.

We are looking into changing landscapers for the New Year.

There is a link on our Web page to be able to go to our Facebook site for our residents to be able to post what they would like to say or maybe what they have for sale and so forth for the community.

Many things were discussed at the last meeting, which included ideas of having a movie night, game night, bingo and maybe some out door activities. We want to get some enjoyment back into our lives and what better way than to do it with our neighbors & friends.

Hope all have a Happy Holidays!!

Your President,

*Paul D'Andrea*

**You have made a personal decision to live in a community that is a registered association. Associations are governed by a set of rules. The rules are for all residents ---- NO EXCEPTIONS.**

## **PARKING**

There are no defined parking spaces on community streets. Spaces cannot be saved. Our streets are maintained by the City of Margate and you can park anywhere as long as you:

- Park on the correct side of the street, which is THE SIDE OPPOSITE of the NO PARKING signs and in the direction of the traffic flow.
- When parking in the street, please DO NOT park in the middle of the front yard. This takes up two possible parking spaces. Any questions or complaints must go through the Management Company listed on the front page.
- DO NOT BLOCK ANYONE'S DRIVEWAY.

## **POOL RULES AND HOURS**

- The pool is open from **dawn to dusk**
- Please use your key when using the pool. Keys may be obtained with a deposit by contacting [paradiseg2@bellsouth.net](mailto:paradiseg2@bellsouth.net) or at meetings when they resume.
- **Please be considerate to the number of guests you entertain at the pool. HOMEOWNERS MUST ACCOMPANY GUESTS IN THE POOL AREA**, Particularly residents with visiting children.
- Food and beverages will be allowed in designated areas (at tables). All liquids must be in plastic containers and you must clean up the area when finished.
- There will still be **NO ALCOHOL** allowed.

## **ATTENTION DOG OWNERS!**

- All dogs must be leashed and restrained at all times.
- Do not walk your dog on anyone else's property.
- You must clean up after your dog!

## **PERSONAL YARD AND GARAGE SALES**

Our by-laws prohibit all yard and/or garage sales.

## **BE MINDFUL OF YOUR NEIGHBORS**

We live in a neighborhood with the homes in close proximity to each other. It is extremely important - **and the homeowner's responsibility** - to keep trees and shrubs trimmed. Not only does it make our community look more attractive, it can eliminate hard feelings between neighbors if your tree should damage your neighbor's property. Keeping your bushes trimmed eliminates places for iguanas to hide. **Iguanas carry salmonella and botulism**. If you are unable to maintain your trees and shrubs yourself, you may call the lawn service company and they can help with it FOR A FEE. (free estimates)

Remember, what you plant, you must be able to maintain.

# Little Known Facts

Scientists have calculated that for Santa Claus to deliver presents to every home in the world, he would have to travel at a speed of 4,921,200 miles per hour!

The holly inside a wreath actually represents Jesus' Crown, and the red berries represent his blood.

Edward Johnson invented the first electric tree lights in 1882.

Santa Claus has worn many colors in his time, including blue, green, white, and red. The red suit came about when Coca-Cola had an advertisement campaign in the '30s.

The average Christmas tree before its sale will grow for 15 years.

Hanukkah lasts for eight nights, to commemorate how long the holy light burned.

The Greek-Syrians had outlawed Jewish studies, so the Jews spun dreidels to pretend they were merely playing games while they engaged with their scripture.

Dolphins use toxic pufferfish to 'get high'.

A chicken with red ear lobes will produce brown eggs, and a chicken with white ear lobes will produce white eggs.

Florence Harding, 1860-1924

Warren G. Harding's wife was first first lady to vote, fly in an airplane, operate a movie camera, own a radio, and invite movie stars to White House. She also was accused of poisoning her husband, who died during his third year in office.

Grace Coolidge, 1879-1957

Calvin Coolidge's wife worked as a teacher of deaf students, and became the first first lady to speak in sound newsreels.

Lou Hoover, 1874-1944

Herbert Hoover's wife was the first woman to graduate from Stanford University with a geology degree. She also spoke Chinese fluently.
