## LETTER FROM THE PRESIDENT

APRIL 2023

I hope all is well with everyone.

Many things were discussed at the last meeting which included ideas of having a movie night, game night, bingo and maybe some out door activities. We want to get some enjoyment back in our lives and in what better way than to do it with friends. Don't forget we need volunteers to help with these events.

As I mentioned last month we are looking for a new landscaper for the new year. We have had some success in getting quotes from 3 companies and, we will be making a decision soon.

We are still hearing about violations that are happening, we are trying to take care of the situation. We need your help to proceed, please if you see something say something, the address of the violation is a must and the problem that exists. We can't see everything all the time, so please help. You will remain anonymous. A call or email to the management company will do it. We have spoken to the Management Company at length in a meeting about our problems and the action taken. Things will change, unanswered calls and emails will be answered. They have hired additional personnel and this should solve a lot of the problems.

We will be having a board meeting April 12, 2023 and a HOA meeting April 19, 2023, the HOA meeting will be at 7:30 PM.

Hope all will have a good month ahead. Keep smiling.

Your President,

Paul D'Andrea

### **Discussions:**

- 1) Several people complained about the lawn people leaving chicken bones on their property. Paul said he would get in touch with them and get it straighten out.
- 2) Emails – We would like to have everyone's email addresses so we can do what they call a blast to let people know information in your community. Like with meetings, parties and etc.
- 3) The Board met with the management Co. late week to discuss the problems we are having with them. It was a good meeting. If anyone still having problems with communication with them, please email me to let me know.
- 4) Please refresh yourself on our Rules and Regulations. We have residents that over planted in their yards and the lawn people complain they can't cut. Also we have many residents complaining about people not picking up after their dog does his business. That is also a Margate law to pick up after your dog no matter if it is in your yard are not.
- 5) If your water meter box is falling in, please report it to the water company. They will fix it.

# Neighborhood News

Our deepest sympathies go out to Guy Crooks on the loss of his father.

My apologies if you find this newsletter not up to normal. My computer crashed and I had to get a new one. Needless to say, I lost everything. ---- Jackie

**You have made a personal decision to live in a community that is a registered association. Associations are governed by a set of rules. The rules are for all residents ---- NO EXCEPTIONS.**

## **PARKING**

There are no defined parking spaces on community streets. Spaces cannot be saved. Our streets are maintained by the City of Margate and you can park anywhere as long as you:

- Park on the correct side of the street, which is THE SIDE OPPOSITE of the NO PARKING signs and in the direction of the traffic flow.
- DO NOT BLOCK ANYONE'S DRIVEWAY.

## **POOL RULES**

- The pool is open from dawn to dusk. NO SWIMMING AFTER DARK.
- Please be considerate as to the number of guests you entertain in the pool.
- All homeowners and their guests must have tags when using the pool. Tags may be purchased at every homeowner's meeting. Anyone not having tags will be asked to leave the pool.
- **HOMEOWNERS MUST ACCOMPANY GUESTS IN THE POOL AREA,** Particularly residents with children.

## **ATTENTION DOG OWNERS!**

- All dogs must be leashed and restrained at all times.
- Do not walk your dog on anyone else's property.
- You must clean up after your dog!

## **DO NOT FEED THE MUSCOVY DUCKS!**

Feeding the ducks will solidify your friendship with the blunt-billed birds for life. So will leaving household trash outside in plastic bags. Place trash in garbage cans. It is against the law to feed the ducks in Margate and can result in fines. Muscovies get their nutrients from a natural diet of bugs and pond algae.

## **PERSONAL YARD AND GARAGE SALES**

Our by-laws prohibit all yard and/or garage sales.

## **BE MINDFUL OF YOUR NEIGHBORS**

We live in a neighborhood with the homes in close proximity to each other. It is extremely important - **and the homeowner's responsibility** - to keep trees and shrubs trimmed. Not only does it make our community look more attractive, it can eliminate hard feelings between neighbors if your tree should damage your neighbor's property. Keeping your bushes trimmed eliminates places for iguanas to hide. **Iguanas carry salmonella and botulism.** If you are unable to maintain your trees and shrubs yourself, several of the mowers will be happy to do it for you for a reasonable fee.
